

Inspirations! Marbella

Unbelievable accommodation! Inspirational Service!

Travel Instructions to:-

Inspirations! Marbella Office; 38, Fase V, Los Naranjos de Marbella, 29660 Nueva Andalucia

1.0 INTRODUCTION

The goal of this guide is to assist your travel and car rental plans to Marbella/Puerto Banus.

2.0 LOCATION

Marbella, whilst being the name of a town on the Southern coast of Spain is also a region of Spain which stretches in some peoples mind from Fuengirola to as far as Estepona.

2.0 TRAVEL

2.1 MALAGA AIRPORT

The destination airport is Malaga and there are several airlines which fly there. From the UK we recommend Skydeals.co.uk (see www.skydeals.co.uk) where you can often find a return ticket for £80 to £100. Our account number is VIPC691 and this should be quoted to obtain exclusive deals.

2.2 TAXI TO MARBELLA/PUERTO BANUS

There are taxis outside arrivals (be prepared for the long queue) and the cost is about 80 Euros. Some taxis are unmetered and you may like to ask the driver for a quote to see if you can get a better deal. Please be aware that Malaga cab drivers often do not know the Marbella area and do not speak much English, therefore you might want to take advantage of our personal transfer service. The service includes being met by our English speaking driver at the airport, shown to your car and helped with the baggage. You will be driven directly to the accommodation and the driver will let you in with your set of keys for the stay. Again, he will assist you with your bags and help you with any questions you have. We feel this is an excellent way to start the 'chill-out' feel of your holiday here with us. **Please ask for details.**

2.3 RENTAL CAR TO PUERTO BANUS

There is a huge selection of rental car companies and Spain is one of the cheapest places to rent a car. For great deals on car-hire speak to Arrow Car Hire (Jeremy or Bev) on UK 0800 198 1107 or ESP 0034 952 445 201 and tell them you were recommended by Simon @ Inspirations! Marbella.

2.4 COMPREHENSIVE DIRECTIONS

The following pictures are to assist you in your journey to the apartment.

Centre lane driving out (follow the signs for MALAGA) exit road then goes to the left and then joins main road bearing right. Observe sign on right hand side, right around island and then straight on past San Miguel brewery. Follow signs for A-7 (used to be N-340) or A-7P

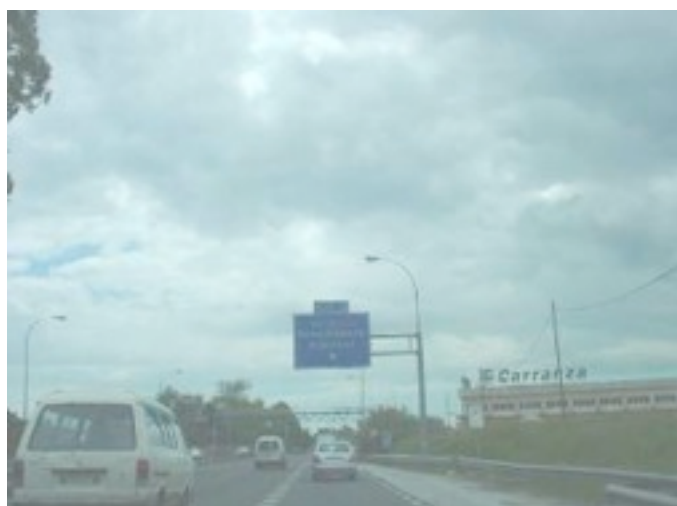

Leaving the Airport.

Keep in the Right hand lane as you leave the Island, Brewery is still on your right, bear right.

You are now on the road shown below, follow signs for **ALGECIRAS**

As you progress along this road you will observe various signs. A-7P is a toll road (3 to 6 Euros); A-7 (used to be N-340) is the coast road. **THEY BOTH GO to Marbella, you cannot get lost.** If you are traveling along the coast road, do not exit at any Marbella signs.

As you exit the toll or coast road they both join again at La Cañada shopping centre up on the right, on the Marbella bypass. From La Cañada you travel about 2 miles until you get to a road split again, this time take the right fork towards San Pedro through the Banus tunnel. BE SURE THAT YOU GO THROUGH THE TUNNEL!

**** VERY IMPORTANT**** DO NOT end up in the left hand lane which will take you to Estepona on another toll road, STAY in the middle or right hand lane and go through the tunnel.

OK you have done well; you will have now covered about 50km and be getting close to our office.

Go through the tunnel & take the next junction (approx 500m) sign-posted Istan 176km (AS PICTURE ABOVE), then follow the map attached. As you exit the A7, you come to a roundabout (PICTURE LEFT), take the 3rd exit (left), proceed over the bridge and bear left at the junction.

This brings you to another roundabout (PICTURE LEFT). Take 2nd exit and follow road approx 100 metres.

The apartment which acts as our office (residential block) is situated on this main perimeter road, inside the Los Naranjos complex which is fenced (second block on the picture below). Take care where you park as this can be a busy road. To find the office, take the second pedestrian gate from the security roundabout just after a refuse station (photo below left). The gate is numbered GATE 3. The gate is security operated, press the button 1 and then the bell symbol and await response from security, when they answer state **INSPIRATIONS CLIENTS**, they should let you in. Turn immediately right and the office is ground floor on the left (there are signs and information on the front door to identify us). Out of

office hours our safe for accessing the key and directions to your accommodation is situated below the post boxes just prior to the office. As you walk through the same gate and turn right the post boxes are immediately right. You will see the safe (picture below right). Input the code **5896A** and turn the knob to anti (counter)-clockwise to open the safe. **It is vitally important that you ensure that you obtain the correct envelope with your party name stated on it as there may be several envelopes within. The safe must be securely shut by turning the know, please double check this.** Have a safe journey!

SO WELL DONE! You made it this far, now follow the instructions within the envelope to your accommodation.

SAFE (5896a)
